Music License Agreement

Royalty-Free Music by Andrew Sitkov

1. Grant of License

This Licence grants to the Buyer a non-exclusive and non-transferable, lifetime, worldwide right to use the music assets in multimedia projects, including but not limited to online videos (including YouTube), websites, animations, games, and films.

The Purchaser may use the assets for personal use and in commercial projects.

2. Restrictions

This Licence does not allow the Buyer to:

I. Claim the Seller's music as their own;
II. Register and sell the music on any store or platform;
III. Redistribute or sublicense the music assets other than as part of the relevant project.
